PROCEEDS TO BENEFIT

PROCEEDS TO BENEFIT

ABOUT THE EVENT

This year, RJDS and ORT are excited to partner together for our first annual Pickleball and Pastrami event! Whether you're a seasoned pickleball pro or trying the game for the first time, this event promises a day of friendly competition, community connection, and meaningful support for STEM education. All proceeds will advance STEM programs at ORT and RJDS, helping students thrive in an ever-evolving technological world.

Players will be matched with different partners and play several games during this 3-hour event! Players will be placed into various levels depending on ability. New players will receive a brief introductory lesson on the game's rules, scoring, and shot types. For those who have played before, levels will consist of Beginner, Intermediate and Advanced with more experienced players monitoring/assisting less experienced players as the matches proceed.

ABOUT THE

ORGANIZATIONS

Join the community for an exciting pickleball tournament and help empower the next generation through the advancement of STEM (Science, Technology, Engineering, and Math) education locally and globally!

The Richmond Jewish Day School is a fully accredited, community-based independent school that combines outstanding academics, shared heritage and a deep understanding of Jewish religion and values for kids from K to Grade 7.

BENEFITTING

ORT's mission is to place the future in the hands of the next generation through a focus on empowering students with knowledge and expertise in STEM to fulfill their potential. ORT is active in 37 countries and benefits more than 200,000 students annually.

Locally, ORT has supported the building of an advanced technology classroom for students studying at Richmond Jewish Day School
