UNIFORMS  
2024-2025

# A MESSAGE FROM THE RJDS UNIFORM COMMITTEE

In early 2022, several RJDS parents formed a committee to plan the new design and execution of RJDS's new uniforms. We researched and negotiated for months to ensure we chose items that were **high-quality, comfortable, relatively affordable, and inclusive.**

All K-7 students are required to wear the school uniform. We appreciate the cooperation of all RJDS families in adhering to the following guidelines, so each student is prepared as a proud representative of our amazing little school.

# ORDERING GUIDE

- All branded items must be supplied by Cambridge Uniforms (except kippot, which are from iKippah, and gym strip).
- Unbranded items may be purchased anywhere. Please make sure they follow the guidelines.
- If you would like to purchase a branded kippah in-between scheduled orders, contact the office.
- The Uniform Committee arranges 3-4 bulk ordering periods throughout the school year. Families will be notified and sent an order form to submit to the committee, as well as payment information. There will also be used uniform sales throughout the year, which will be advertised through the PAC page and weekly newsletter (the Shofar)
- For questions or to receive the order form link, contact [rjdsuniforms@gmail.com](mailto:rjdsuniforms@gmail.com)

# SIZING GUIDE

- With our new ordering system, Cambridge is no longer able to do in-person fittings.
- RJDS has all sizes of long-sleeved golf shirt samples to try on for sizing, and a few sizes of the pullover sweatshirt.
- For all items without samples, use the size charts on the following pages for measurements. Do NOT use the old uniforms for sizing, as Cambridge has since changed their sizes.
- It is highly recommended that you order at least one size larger than what your child fits, if trying on an unwashed sample. Some items are 100% cotton and will **shrink by 1 to 2 inches** after washing.
